

PREMIUM SHOWER GRID SYSTEM IN MATTE BLACK FINISH

The Premium Shower Grid System consists of aluminum flat strips and U-channels with an adhesive backing that allows for easy application directly onto glass. This delivers an elegant enhancement for greater design flexibility.

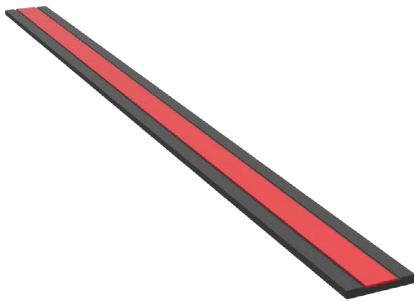

Design Inspiration

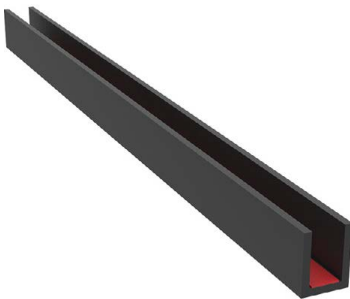

- Grid strips and U-channels are available in 118" (3 m) or 95" (2.4 m) stock lengths and can be cut to desired size
- Design Option: Adding vertical strips in between horizontal ones
- Matte black finish
