When you are ready to order, utilize this form to assist you in covering the details required to complete a Metropolis Post System installation. Going through this exercise should prevent you from overlooking any details related to your installation.

IMPORTANT: Depending on the complexity of your project, one or more of the following may be required to accurately order: sketches or drawings of your particular application with dimensions; printed architectural drawings or CAD files; photos of the job site conditions (digital images are preferable).

NOTE: A final sign off is required prior to any custom fabrication.
