

## LIMITED LIFETIME WARRANTY

### LIMITED LIFETIME WARRANTY:

This product is guaranteed to give satisfactory performance if applied in accordance with the label directions. Liability to C.R. Laurence Co., Inc is limited to a full refund of the purchase price or product replacement if product is proven defective. CRL shall not be liable for loss or damage, whether direct, consequential or incidental. There are no other warranties expressed or implied including the implied warranty of merchantability or fitness for a particular purpose. C.R. Laurence Co., Inc specifically disclaims and makes no warranties, express or implied, about this product, its merchantability, or its fitness for a particular purpose.

### LIMITATIONS:

All recommendations, directions, and suggestions for its use are consistent with our testing and research for a variety of applications, but no promises, guarantees, or warranties are being made with regard to its use, whether or not consistent with the directions, or its effectiveness for any given application. Users of this product should do so in compliance with all applicable laws and regulations. User of this product should conduct its own field test, to assure results.

### CONDITIONS:

The remedy in this Warranty shall apply only under the following conditions:

- The product is installed and maintained in accordance with the product's most recent Technical Data Sheet and any other instructions, guidelines and data published by C.R. Laurence Co., Inc regarding the product. CRL Technical Data Sheet can be obtained at [www.crlaurence.com/DataSheets/SpecData/33S.pdf](http://www.crlaurence.com/DataSheets/SpecData/33S.pdf).
- The product must be used within the shelf life specified in the most recent Technical Data Sheet for the product and stored in accordance with the instructions in the Technical Data Sheet.
- In the event the product is alleged not to be as warranted, you must give C.R. Laurence Co., Inc an opportunity to inspect the installation, and to take samples of materials used in the installation, before you engage in any repair or replacement work.
