Technical drawing of a cable tray assembly. The drawing shows a side view of a cable tray with multiple cables. Key dimensions and labels include:

- 120"**: Total length of the cable tray.
- F.D**: Label for the first device, located at the left end of the tray.
- 46 13/16"**: Distance from the left end to the first device.
- 72"**: Distance between the first and second devices.
- D.O**: Label for the second device, located in the middle of the tray.
- 1 3/16"**: Distance from the right end to the second device.
- 100"**: Distance from the left end to the second device.
- 100"**: Distance from the right end to the second device.
- 100"**: Distance from the left end to the second device.
- 100"**: Distance from the right end to the second device.

The drawing also shows a dashed line indicating the path of the cables, which are bundled together and run parallel to the tray.

Diagram illustrating the elevation view of a window frame assembly. The total width is 120". The frame is divided into three sections: a left section of 48", a central section of 69 11/16" (labeled D.L.O.), and a right section of 2 5/16". The frame is shown with multiple panes and a central mullion. The assembly is supported by a base and a top rail.

Technical drawing of a mechanical assembly, likely a pump or motor housing, showing dimensions and labels.

Dimensions:

- Overall Width: 119 1/2" F.D.
- Overall Height: 119 3/4" D.O.
- Top Flange Thickness: 4 5/16"
- Bottom Flange Thickness: 1 4"
- Internal Width (Left): 104 3/4" D.L.O.
- Internal Width (Right): 95 1/8" N.D.S.
- Internal Height (Left): 107 7/16"
- Internal Height (Right): 96" N.D.S.
- Internal Width (Center): 72" D.O.
- Internal Height (Center): 42"
- Internal Width (Left): 46 13/16"
- Internal Width (Right): 35 5/8" N.D.S.
- Internal Height (Top): 10 7/16"
- Internal Height (Bottom): 11 1/16"
- Internal Width (Top): 5/16"
- Internal Width (Bottom): 5/16"
- Internal Height (Top): 4 1/16"
- Internal Height (Bottom): 3/16"
- Internal Width (Top): 4 1/8"
- Internal Width (Bottom): 4 1/8"
- Internal Height (Top): 4 1/8"
- Internal Height (Bottom): 4 1/8"
