

NEW Bellagio, Como, and Lugano Hinges

Introducing Bellagio, Como, and Lugano, three new off-set shower door hinges representing the **highest-quality in European design and durability**. These solid brass hinges have been rigorously tested to 100,000 cycles, five times more than the industry standard, making them ideal for residential and heavy-duty commercial applications.

Bellagio, Como, and Lugano hinges feature snap-on covers that conceal screws and matching brackets. Available finishes include Matte Black, Chrome, Brushed Nickel, and Satin Brass.
