Additional Information

The top fittings are 3" (76 mm) from the top of the tube, and the bottom fittings are 6" (152 mm) from the bottom to the leading edge of the fittings.

Countertop/Table Top

C-Clamp

CRL Stainless-Steel C-Clamps offer a fast and flexible solution. Clamps easily attach to surfaces with no drilling required. The bracket pivots 360 degrees allowing for the barrier to be placed on the edge of a surface, across it, or in a diagonal position.

Pivots 360 degrees to allow clamp placement around all edges of a table.

Available Profiles:

1-13/16" (46 mm)
2-15/16" (75 mm)
2-1/4" (57 mm)
2-11/16" (68 mm)
1-1/8" (29 mm)
1-11/16" (43 mm)

Round

1-1/16" (27 mm)
2-3/16" (56 mm)
2-1/4" (57 mm)
2-15/16" (75 mm)
2-11/16" (68 mm)
1-11/16" (43 mm)

Square

1-1/4" (32 mm) Diameter
1-5/8" (41 mm)
1-1/2" (38 mm)
2-1/4" (57 mm)
2-11/16" (68 mm)
1-11/16" (43 mm)
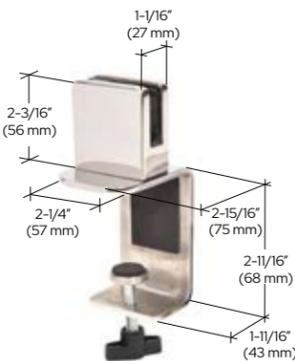

Standoff*

*Standoff base can be purchased separately.

Additional Benefits Include:

- Easy installation and positioning
- Interior rubber lining protects surfaces
- No drilling required

- Accommodates 1/4" to 3/8" (6 to 10 mm) glass or acrylic
- Durable stainless-steel construction, in brushed or polished finish
- Choose from round, square, or standoff profiles

Adjustable U-Clamps

New Adjustable U-Clamps are designed for use with CRL Z-Clamps to create a versatile barrier system. Easily attach them to existing vertical surfaces by simply sliding the clamping mechanism to the desired location and tightening screws. No drilling or permanent installation is required. Adjustable U-Clamps are compatible with Z-Clamps that accommodate 1/4", 5/16", or 3/8" thick extension panels, and are offered in round and square profiles.

Product Features

– Smart 2-way design accommodates
  1-1/2" to 4" wide surface thicknesses
– Frameless design provides unobstructed views
– No drilling required
– Durable stainless steel construction
– Provides up to 40" extension to divider height,
  not to exceed 72" overall

Freestanding H-Post Barrier

The Freestanding H-Post Barrier is designed to maintain maximum visibility, while delivering a sturdy, long-lasting barrier solution. With a brushed aluminum center post and stainless steel hinges and base, this modern fixture is ideal for high-end interior and exterior applications. The hinges offer hold-open and hold-close options to provide greater flexibility.

Additional Benefits Include:

- Slim Square Post Design
- For use with 1/4" to 5/16" (6 to 8 mm) Acrylic or Glass Panels
- Multiple Panel Configurations on a Single Post
- Hold-Open and Hold-Close Panel Swing Positions
- Easy to Assemble
- Easy to Clean and Disinfect
- Durable Aluminum Post with Stainless Steel Hinges and Base
- Stock or Custom Heights Available
