		PB-	Polished Brass	US32NL
		SB-	Satin (Brushed) Brass	US3NL
		ORB-	Oil Rubbed Brass	

CRL SUGGESTED GUIDELINES

CRL Recommends that Door Height be Limited to:

1/2" (12 mm) Glass:

Exterior Openings: 8'-0" (2.44 m)

Interior Openings: 8'-6" (2.59 m)

3/4" (19 mm) Glass:

Exterior Openings: 8'-6" (2.59 m)

Interior Openings: 9'-0" (2.74 m)

NOTE: If doors exceeding these recommendations are required, the designer should take into account the following factors:

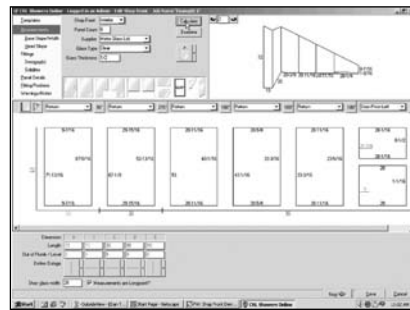

- Volume of Daily Usage (Number of Anticipated Cycles)
- Deflection of Door Due to Wind and/or Stack Load Pressures
- Stability of Door Under Operation (How Much the Door Flexes When Pushed)

For assistance in design applications, please contact CRL Technical Sales.

CRL Storefronts Online Design and Glass Size Program

- An Innovative Web-Based Program that Generates Glass Sizes from Measurements You Take in the Field
- Access 24/7 at www.crlaurence.com
- Frameless Storefront Designs Have Never Been So Easy
- Simply Push the Print Icon Upon Completion of Data Entry to Generate Complete Glass Sizes
- Built-In Safety Features Ensure CRL Approves of Design and Specifications
