

1. Identification

Product Number: SP1412, SP1412B, SP1434, SP1434B, SP1834, SP1834B
Product Name: Sponge Rubber Shipping Pads
Supplier: C.R. Laurence Co., Inc.
Address: 2503 E. Vernon Ave.
 Los Angeles, CA 90058
Telephone: 1-800-421-6144
Fax: 1-800-424-9300

2. Composition / Information of Ingredients

Chemical Name	% by Weight
Acrylic (solvent base) Resin	28 – 34
Release Paper liner	53 – 59
PET (Polyethylene terephthalate film)	12 – 14
EAC	<0.1%
This product does not contain any the following intentionally added homogeneous material in excess of 0.1 weight - % (1000 PPM): Lead, Mercury, Hexavalent-chromium, Cadmium, Polybrominated biphenyls (PBB) or Polybrominated dimethyl (PBDE).	

3. Hazard Identification: PE film liner

Health effect:
 Not classified as hazardous.

4. First-Aid Measures

Inhalation:
 Move from exposure area to fresh air and seek medical advice immediately.

5. Fire Fighting Measures

Extinguishing Media:
 Use dry chemical, carbon dioxide, water spray or regular form.
Fire and explosion Hazard:
 This product may give rise to hazardous fumes in a fire. Protective Equipment for Fire-Fighting
 Wear full protective clothing and self-contained breathing apparatus.

6. Accidental Release Measures

Containment Procedures:
 Allow molten material to cool, remove by hand.
Clean-Up Procedures:
 Dispose of spilled material in approved landfill or incinerate in compliance with federal, state and local regulations. If you are unsure of the regulations, contact your local Public Health Department, or the local office of the Environmental Protection Agency (EPA).

7. Handling and Storage

Handling Procedures:

Use protective gloves when handling molten material.

Storage Procedures:

Do not store near heat or flame. Store with adequate ventilation.

8. Exposure Control

Engineering Control Measures:

Engineering methods to prevent or control exposure are preferred. Methods include process or personnel enclosure, mechanical ventilation (dilution and local exhaust), and control of process conditions to keep airborne levels at acceptable levels, as appropriate.

9. Physical & Chemical Properties

Substance state: Solid	Decomposition Temperature: No Data
Evaporation Rates (Butyl Acetates=1): No Data	Solubility: Insoluble in water

10. Stability and Reactivity

Stability:

Stable under normal temperature and pressure.

Any paper and adhesive can be forced to burn by continuous application of intense Heat.

11. Toxicological Information

No information available for the product.

12. Ecological Information

No information available for the product.

13. Disposal Consideration

Use approved disposal methods as recommended by state and local agencies.

14. Transport Information

Follow all the transport requirements.

15. Regulatory Information

Labor safety and hygiene regulations:

Dangerous and hazardous materials treatment regulations

16. Other Information

This information is based on our current level of knowledge and relates to the products in the states in which it is delivered. It is intended to describe our products from the point of view of safety requirements and is not intended to guarantee any particular properties.
