Utilize this form to assist you in covering the details required to quote a Monterey Bi-Folding Glass Wall System. Going through this exercise should prevent you from overlooking any details related to your installation.

**IMPORTANT:** Depending on the complexity of your project, one or more of the following may be required to accurately order:

- sketches or drawings of your particular application with dimensions;
- printed architectural drawings or CAD files;
- photos of job site conditions (digital images are preferable).

**NOTE:** A final drawing sign off is required prior to any custom fabrication.
