

StormMax® Hurricane Resistant Products

StormMax® systems provide proven hurricane impact protection, shielding buildings from flying debris and high-velocity impacts. Certified for Florida's High Velocity Hurricane Zone, including Miami-Dade and Broward counties, and beyond, they meet rigorous International Building Code and state-specific standards. Whether your project calls for Small Missile A, Large Missile D, or Missile Level E for Essential Facilities, StormMax® systems deliver reliable, cost-effective solutions to fortify any project with confidence and precision.

Product Category	Product Series	Glazing	Dry/Wet Glazing	Maximum Design Pressure	Missile Rating	Wind Zones	Florida Product Approval # & Texas TDI #
Architectural Windows	ZS-2750 Project Out StormMax®	1-1/16" Laminated Insulating	Wet	+60/-60 PSF	Large Missile (D)	Zone 4 / HVHZ	FL17668
Window Wall	RW-5000 StormMax®	9/16" Monolithic Laminated	Wet	+70/-80 PSF	Large Missile (D) / Small Missile (A)	Zone 4 / HVHZ	FL17687
	RW-5100 StormMax®	1-5/16" Laminated Insulating					
Curtain Wall	Reliance StormMax® HP	1-5/16" Laminated Insulating	Wet or Dry	+92/-92 PSF	Large Missile (D & E)	Zone 4 / HVHZ	FL33108
	Reliance StormMax®	1-5/16" Laminated Insulating (A & D) 9/16" Monolithic Laminated (D - Wet)	Wet, Dry or SSG	+100/-100 PSF	Large Missile (D) / Small Missile (A)		
Storefront	FG-5700 StormMax®	9/16" Monolithic Laminated	Wet or Dry	+90/-90 PSF	Large Missile (D)	Zone 4 / HVHZ	FL20665
	FG-5750 StormMax®	1-5/16" Laminated Insulating	Wet	+70/-90 PSF	Large Missile (E)		FL41841
			Wet or Dry	+90/-90 PSF	Large Missile (D & A)		FL20665
	FG-5750T StormMax®	1-5/16" Laminated Insulating	Wet	+70/-70 PSF	Large Missile (E)		FL41841
			Wet or Dry	+70/-80 PSF	Large Missile (D & A)		FL20665
Entrances	MSD-375/WSD-500 StormMax®	9/16" Monolithic Laminated 1" Laminated Insulating	Wet	+70/-80 PSF	Large Missile (D)	Zone 4 / HVHZ	FL17693
	Rugged StormMax®	1-1/16" Laminated Insulating		+/-110 PSF	Large Missile (E)		FL46731
		9/16" Monolithic Laminated					
Skylights	BMS-3000 StormMax®	1-5/16" Laminated Insulating	Wet	+100/-125 PSF	Large Missile (D) / Small Missile (A)	Zone 4 / HVHZ	FL17669
		9/16" Monolithic Laminated
